

HIBCC LABELERS

The following companies (and/or their subsidiaries/divisions) have applied for Labeler Identification Code (LIC) assignment registration through HIBCC or one of its international affiliates. The organizations have demonstrated their support of HIBCC's goal of implementing auto-ID technology and achieving health care improvements. We applaud these organizations for their commitment to customers, the industry and their future.

Any organization whether it be the manufacturer, distributor, wholesaler, hospital or health care organization interested in using the HIBCC uniform labeling system may apply for the assignment of one or more LIC. For more information, please contact the HIBCC office at:
