DATA USE LICENSE AGREEMENT (DULA)

(Hereinafter referred to as the Licensee) hereby licenses from Health Industry Business Communications Council (hereinafter referred to as HIBCC or the Licensor) the use of the Health Industry Number (HIN) System Database (hereinafter referred to as the Data) and the HIN registered service mark, Registration No. 74-705,861 (hereinafter referred to as the Mark) for a license fee(s) as previously specified and paid herewith and/or to be paid on an annual basis (as applicable for license type/level). Licensee agrees that use of the Data and of the Mark shall be subject to the following terms and restrictions:

1. The Data and the compilation of the information contained therein and the Mark is and shall remain the sole property of the Licensor. Licensee will take no action to infringe on the rights of the Licensor therein.

2. Licensee acknowledges that the Data constitutes valuable copyrighted and proprietary information of Licensor, covered by the Copyright Registrations #TX-8-748-740, #TX-6-589-387, and #TX-5-522-923. Licensee agrees not to sell or release the Data to any third party and not to disclose any information contained in the Data to any other individual, association, firm, parent or subsidiary organization, or other entity whatsoever, except: 1. When identified by HIBCC as an authorized licensee of the same type/level; or, 2. With the prior written permission of Licensor (“permitted disclosure”).

3. Any “permitted disclosure”, publication or other permitted public use of the information contained in the Data or the Mark will indicate that the Licensor is the source of the information, will carry the legend "HIN is a Registered Service Mark of HIBCC, and used under license" and will indicate the dominant use of the Mark with an ® symbol.

4. Licensee agrees to maintain the quality, the integrity, and the confidentiality of the information contained in the Data, and of the goodwill in the Mark as used with services (in accordance with the summary, “HIN System Database Data Licensing Guidelines”). Any breach of this provision shall allow HIBCC to terminate this license immediately, and seek injunctive relief and damages for the breach.

5. HIN licenses do not convey between a parent organization and/or its subsidiaries and divisions. Each subsidiary and division must maintain its own, individual license to the HIN Database in order to be an Authorized Licensee.

6. If the Licensee contracts services with a third-party agent or consultant which requires the transmittal of the Data to the third-party, the third-party must license the HIN database prior to receiving, accessing, and/or using HIN data in any way.

7. If the Licensee is a data reselling organization Licensee agrees to use the information in the Data strictly for internal uses, and is prohibited from selling or otherwise distributing or disclosing the information in the Data to any third party, including customers or clients of Licensee, unless any such other organization is also a licensee.

8. A continuing HIN license is required for an organization to use the HIN. In order to maintain a continuing license all invoices must be up-to-date. Late or nonpayment of invoices may result in suspended access to HIN Data. All fees are subject to change. If an organization elects to cancel its HIN license, that organization is required to remove all HIN information from its systems, and is prohibited from using the HIN in any transaction.

   b) Information which is lawfully disclosed to Licensee by a third party not under an obligation of confidentiality to licensor with respect to said information.
